Dear Ma,

RE: FREEDOM OF INFORMATION REQUEST ON DETAILS OF CAPITAL PROJECTS FUNDED IN 2016.

Our first letter dated 22nd August, 2017 with reference number BN/FOI/FMN/2017/001 and your response dated 7th September, 2017 is hereby referred.

Our request was details of capital projects funded and executed in 2016. Following the information released on online newspapers, the Federal Government stated a total of N1.2 trillion was spent on capital projects in 2016.

Your response which is attached here, had an attachment showing the capital allocations to various ministries in 2016 fiscal year and this fell short of our request.

For clarity, below are the information we request and we hope it will be made available to us:

1. Description of all the capital projects funded in 2016
2. Project Locations
3. Amount released for the projects in the 2016 budget.
4. Amount budgeted for the projects in the 2016 budget.

We would appreciate if response is given within the next 7 days as stipulated in the Freedom of Information Act. Please do not hesitate to contact us by email at oluseun@yourbudgit.com or 07034944492. We will appreciate if response is sent to the following address:
